Your Honor, Judge Castel

Today I received the conclusions of the Court 5/27 I am asking until June 20 2008 to respond. this due to health, discs and pain, painkillers. I also want to say to the court I do appreciate your considerations in these issues you addressed, to me they are very serious. I have never had a law suit filed against me before. I also want to say any documents I have sent to the court reflect on my part sincerity, it is just that I am not familiar with the protocols of the Court and my attempts to deal with a system I do not understand are I guess clumsy. I am sorry for that.

Sincerely,
Joe Mogus
